

## A MESSAGE FROM PREMIER JOHN HORGAN

As Premier of the Province of British Columbia, it is my pleasure to congratulate the North American Jimei Alumni Association on its fifth anniversary.

The Association has worked hard building bridges and strengthening supports for the Jimei Alumni within Canada and the United States. It is wonderful to know that this support system is in place to assist the alumni to adapt, integrate, thrive and prosper within North America.

Congratulations on all your contributions and tireless work for the community. I wish you further growth and prosperity into the future.

  
HONOURABLE JOHN HORGAN  
PREMIER OF BRITISH COLUMBIA
