On behalf of the Government of British Columbia, congratulations to the North American Jimei Alumni Association (Association) as you celebrate the fifth anniversary of your organization.

For over a century, Jimei Schools have been dedicated to advancing academic endeavours under the legacy of its founder, Mr. Tan Kah Kee, who made great strides in philanthropic and academic endeavours. Your Association not only provides a place for Jimei Alumni to stay connected with each other, but also helps foster cross-cultural connections between British Columbia's (BC) many communities.

BC is a multicultural society built through the rich cultural contributions of its many diverse communities.

I congratulate you on your anniversary, and wish you continued success in the years to come.

Sincerely,
