A Message from the Mayor

On behalf of the citizens and City Council of the City of Vancouver, I want to send my sincerest congratulations to the North American Jimei Alumni Association on your new establishment.

We are proud of our multicultural City which embraces traditions and cultures from all over the world. I want to commend the CJAA for assisting Jimei Alumni to adapt to their new lives in Canada. CJAA are one of the groups that enrich our society and contribute significantly to the quality of life in our City.

Best wishes on your launch.

Yours truly,

Gregor Robertson
