

**North American Jimei Alumni Association
(NAJAA)
Burnaby, BC
May 2012**

It is my privilege and pleasure to send greetings and congratulations on forming your new organization.

I know there are many distinguished graduates from Jimei Schools living in British Columbia and around the world so the establishment of a North American Jimei Alumni Association (NAJAA) is a positive step.

Alumni associations have a variety of benefits and activities that help members maintain connections to their educational institutions and fellow graduates. They provide a place for new friendships and business relationships to grow with those of similar backgrounds.

These groups have been agents for positive change in the cities where there are chapters. I have every expectation that the NAJAA will contribute to the quality of life here in BC, not only for its members but for the larger community around them.

Again, my congratulations on creating NAJAA. Please accept my best wishes and hopes that yours is a long and productive association.

Sincerely,

A handwritten signature in purple ink that reads "George Abbott". The signature is written in a cursive, flowing style.

George Abbott
Minister
