

March 2012

A Message from the Premier

Congratulations to the North American Jimei Alumni Association as you celebrate the founding of your new organization. This is no doubt a very exciting time for members of the Association, as you set your goals and objectives.

Thanks to the enduring legacy of Tan Kah Kee, the Jimei Alumni network has been expanding for almost a century now. The founding of the North American Jimei Alumni Association provides a wonderful opportunity for graduates of the Jimei schools to celebrate that legacy and maintain a connection with their fellow alumni. I want to commend all those involved in establishing the Association for this significant accomplishment.

Please accept my best wishes for much success in the years ahead.

Sincerely,

A handwritten signature in blue ink that reads 'Christy Clark'. The signature is fluid and cursive, with the first name 'Christy' and the last name 'Clark' clearly distinguishable.
